Synopsis: A Race Against Time

10 AM is a gripping tale that unfolds in the span of a single morning. The protagonist, a young woman named Alice, wakes up to find herself trapped in a time loop. Every day, she relives the same mundane routine until 10 AM, when a catastrophic event occurs, resetting her day.

As Alice struggles to break free from this temporal prison, she encounters a cast of enigmatic characters who may hold the key to her predicament. With each loop, she uncovers fragments of a conspiracy that threatens to unravel the fabric of reality itself.

The Alluring Voice of Troy Anthony Platt

Troy Anthony Platt, the acclaimed Broadway and West End star, lends his extraordinary voice to this audiobook. His rich and expressive narration brings the characters to life, infusing every scene with a tangible sense of emotion and urgency.

Platt's dynamic performance captures the protagonist's desperation, the antagonist's cunning, and the mounting tension as the clock ticks down. He expertly weaves together dialogue, sound effects, and musical cues to create an immersive soundscape that transports listeners into the heart of the story.

Jack Turtle Dove's Intricate Storytelling

Jack Turtle Dove, the author of this captivating tale, masterfully blends science fiction, suspense, and philosophical musings. His writing is both thought-provoking and accessible, exploring the complexities of time, identity, and the human condition.

Dove's characters are vividly developed and relatable, their motivations and struggles echoing our own. Through Alice's journey, we question the nature of reality, the importance of choice, and the consequences of our actions.

Immersive Sound Design: A Journey into the Time Loop

The sound design in "10 AM" is a symphony of its own. Every element, from the ticking of the clock to the subtle creaks and groans of Alice's surroundings, contributes to the immersive experience.

Listeners are transported into Alice's time loop, experiencing the monotony of her daily routine and the terrifying aftermath of the 10 AM event. The

soundtrack, composed by Platt himself, seamlessly integrates with the narration, creating a soundscape that is both haunting and hypnotic.
