

Are You Sure It's for You?

Do you ever feel like you're on the wrong path? Like you're going through the motions, but you're not really living? If so, you're not alone. Many people find themselves feeling lost and unfulfilled, wondering if they're making the right choices in life.

The problem is, we often make choices based on what others expect of us, or what seems like the "right" thing to do. But what if those choices aren't really aligned with our own values and goals? That's when we start to feel like we're living a life that's not our own.
