About the Book

Create Your Own Destiny is a step-by-step guide to manifesting your dreams. It teaches you how to overcome limiting beliefs, set goals, and take action to create the life you want.

This book is based on the principle of the law of attraction, which states that like attracts like. In other words, what you focus on expands. If you focus on positive things, you will attract more positive things into your life. And if you focus on negative things, you will attract more negative things into your life.

Create Your Own Destiny shows you how to use the law of attraction to your advantage. It teaches you how to identify and overcome your limiting beliefs, set goals that are aligned with your true desires, and take action to make your dreams a reality.
