Frankie Boyle is a Scottish comedian, writer, and television presenter. He is known for his dark and often controversial humor. In his book *Everything An Argument*, Boyle takes on the art of arguing. He covers everything from the basics of logical fallacies to the psychology of persuasion.

Boyle's book is a hilarious and thought-provoking read. It is sure to entertain and inform anyone who loves to argue. Whether you're a seasoned debater or just someone who enjoys a good argument, this book is for you.

### Part 1: The Basics of Argument

In the first part of his book, Boyle covers the basics of argument. He explains what an argument is, and he identifies the different types of arguments. He also discusses the importance of evidence and reasoning in argument.

Boyle's discussion of the basics of argument is clear and concise. He uses humor to make his points memorable, but he never sacrifices accuracy or rigor.

## **Part 2: The Psychology of Persuasion**

In the second part of his book, Boyle explores the psychology of persuasion. He discusses the different ways that people try to persuade others, and he identifies the factors that make some arguments more persuasive than others.

Boyle's discussion of the psychology of persuasion is fascinating and insightful. He draws on research from psychology and neuroscience to explain how people process information and make decisions.

## **Part 3: The Art of Debating**

In the third part of his book, Boyle offers advice on the art of debating. He discusses the different strategies that debaters can use, and he provides tips on how to win an argument.

Boyle's advice on the art of debating is practical and helpful. He provides clear and concise instructions, and he uses humor to make his points memorable.

Everything An Argument is a hilarious and thought-provoking book about the art of arguing. Boyle covers everything from the basics of logical fallacies to the psychology of persuasion. Whether you're a seasoned debater or just someone who enjoys a good argument, this book is sure to entertain and inform.

I highly recommend Everything An Argument to anyone who loves to argue. It is a book that will make you think, laugh, and see the world in a new way.
