In a time when the world was young, there was a land called Avalon. It was a place of beauty and wonder, where the trees were always green and the flowers were always in bloom. The people of Avalon were immortal, and they lived in peace and harmony with nature.

But one day, a dark shadow fell over Avalon. The evil sorcerer Mordred invaded the land, and he brought with him a horde of orcs and goblins. Mordred's forces quickly overwhelmed the people of Avalon, and they were forced to flee their homes. The young woman Anya was one of those who fled. She traveled for days and nights, until she finally came to the edge of

Avalon. There, she met a wise old sorcerer who told her that she was the only one who could defeat Mordred and save Avalon.

Anya was reluctant to accept this responsibility, but she knew that she had to do whatever it took to save her people. She set out on a journey to the heart of Mordred's kingdom, and along the way she met a brave warrior named Tristan and a beautiful princess named Isolde. Together, the three of them faced the challenges of Avalon and uncovered its secrets.

In the end, Anya defeated Mordred and saved Avalon. She returned to her people a hero, and she lived happily ever after. But the story of Anya's journey is not just a fairy tale. It is a story about the power of courage, friendship, and sacrifice. It is a story that inspires us to believe that anything is possible if we dare to dream.

I wrote *From the Land of the Immortals* because I wanted to create a world that was both beautiful and dangerous. I wanted to tell a story about courage, friendship, and sacrifice. I hope that readers will enjoy reading this book as much as I enjoyed writing it.
