In Touch With Heaven is a compelling and deeply moving memoir that explores the transformative power of near-death experiences (NDEs) and the profound impact they can have on our lives. Author Gina Klein shares her personal journey of healing and hope after a life-altering car accident that left her on the brink of death.

Klein's NDE was a profound and life-changing experience. She was transported to a realm of pure love and light, where she encountered angels and spirits who guided her through her healing process. She saw her own life from a new perspective, and gained a deep understanding of the purpose of her existence.

After her NDE, Klein was left with a newfound sense of hope and purpose. She knew that her life had been spared for a reason, and she was determined to use her experience to help others. She became a certified grief counselor and founded the In Touch With Heaven Foundation, a nonprofit organization that provides support and resources to people who have had NDEs or other life-changing experiences.

In Touch With Heaven is a beautifully written and deeply inspiring book that offers hope and healing to anyone who has experienced loss, grief, or

trauma. Klein's personal story is a testament to the power of the human spirit, and her insights into the afterlife will leave you with a profound sense of peace and understanding.
