With over 30 years of experience in graphic design and publishing, Galen Gruman is an expert in Indesign and a renowned author. In "Indesign CS5 For Dummies," he shares his knowledge and provides step-by-step instructions to help you create stunning layouts, eye-catching graphics, and professional-quality documents.

Comprehensive Coverage of Indesign Fundamentals

This book covers all the essential aspects of Indesign CS5, including:

- * Getting started with the Indesign interface
- * Creating and managing documents
- * Using text frames, graphics, and images
- * Applying styles and effects
- * Working with layers and pages
- * Adding interactivity and multimedia
- * Printing and exporting your designs

Whether you're a beginner or an experienced designer, "Indesign CS5 For Dummies" has something for you. Gruman provides clear explanations,

real-world examples, and practical tips to help you grasp the concepts quickly and apply them to your own projects.

Practical Exercises and Hands-on Projects

To reinforce your learning, the book includes numerous exercises and hands-on projects that guide you through the process of creating specific types of documents, such as brochures, newsletters, flyers, and posters. These projects provide a hands-on approach to mastering Indesign's features and developing your design skills.

Bonus Features and Resources

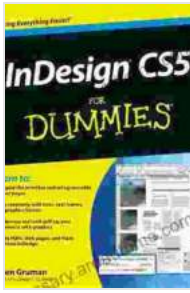

In addition to the comprehensive coverage of Indesign CS5, the book also includes:

- * A companion website with downloadable exercise files and additional resources
- * Troubleshooting tips and solutions to common problems
- * Tips on optimizing your workflow and productivity
- * Interviews with industry professionals sharing their Indesign expertise

Why Choose "Indesign CS5 For Dummies"?

- * Written by an expert Indesign author and designer
- * Comprehensive coverage of all Indesign CS5 features
- * Step-by-step instructions and real-world examples
- * Practical exercises and hands-on projects
- * Bonus features and resources to enhance your learning

If you're ready to elevate your page layout and design skills, then "Indesign CS5 For Dummies" by Galen Gruman is the perfect book for you. Free Download your copy today and start unlocking the power of Indesign!
