## What is the most important thing for aspiring models to know about the industry?

The most important thing for aspiring models to know about the industry is that it is a business. It is important to understand that modeling is not just about being beautiful; it is about selling a product or service. Models need to be able to market themselves and their brand, and they need to be able to work hard and hustle to succeed.

## What are the key qualities that modeling agencies look for in new models?

Modeling agencies look for a variety of qualities in new models, including:

- **Physical attributes:** Models need to have a certain look that is in demand in the fashion industry. This includes having a symmetrical face, clear skin, and a toned body.
- **Personality:** Models need to be confident and outgoing, and they need to be able to connect with people. They also need to be able to take direction and work well with others.
- **Professionalism:** Models need to be reliable and punctual, and they need to be able to handle the stress of the job. They also need to be willing to work hard and take criticism.

## What is the best way for aspiring models to get started in the industry?

The best way for aspiring models to get started in the industry is to build a strong portfolio. This means getting professional photos taken and creating a website or social media account where you can showcase your work. You can also attend modeling workshops or classes to learn the basics of the industry.

## What are the common mistakes that aspiring models make?

Some of the common mistakes that aspiring models make include:

- **Not being prepared:** Models need to be prepared for the industry before they start submitting their portfolios. This means getting

professional photos taken, learning the basics of modeling, and building a strong network.

- **Not being persistent:** The fashion industry is competitive, and it takes time to build a successful career. Models need to be persistent and keep submitting their portfolios to agencies and casting directors.
- **Not being professional:** Models need to be professional at all times, even when they are not working. This means being on time for appointments, being respectful of others, and taking care of their appearance.

### **What advice do you have for aspiring models who want to succeed in the industry?**

Here are some tips for aspiring models who want to succeed in the industry:

- **Be prepared:** Get professional photos taken, learn the basics of modeling, and build a strong network.
- **Be persistent:** The fashion industry is competitive, so don't give up easily. Keep submitting your portfolio and attending castings.
- **Be professional:** Be on time for appointments, be respectful of others, and take care of your appearance.
- **Be confident:** Believe in yourself and your abilities. Don't let rejection discourage you.
- **Have fun:** Modeling should be an enjoyable experience. Don't take yourself too seriously and have fun along the way.

The fashion industry is a challenging but rewarding one. By following the advice in this interview, aspiring models can increase their chances of success and achieve their goals.
