Are you in the market for a used car? If so, you'll want to make sure you do your research and avoid buying a lemon. A lemon is a car that has repeated problems, costing you time, money, and aggravation.

That's where Lemon-Aid comes in. Lemon-Aid is a consumer guide that has been helping car buyers avoid lemons for over 40 years. Each year,

Lemon-Aid publishes a list of the worst cars to buy, based on owner surveys and complaints.

The 1999-2004 Lemon-Aid guide covers over 200 models of cars, from popular sedans to luxury SUVs. Each review includes:

- A detailed description of the car's problems
- A list of the years to avoid
- Recommendations for alternative cars to consider

If you're thinking about buying a used car, Lemon-Aid is an essential resource. It will help you avoid the lemons and find a car that's reliable and affordable.
