

Moving Toward Global Catholicity: Catholicity in an Evolving Universe

By Author Name

In *Moving Toward Global Catholicity*, Author Name explores the future of the Catholic Church in light of the evolving universe. The book argues that the Church must become more global in its outlook and more open to the insights of other religions and cultures.

Name argues that the Church has been too focused on its own internal affairs and has not paid enough attention to the global challenges facing humanity. He calls for a more outward-looking Church that is engaged in the world and its problems.

The Liminal Papacy of Pope Francis: Moving toward Global Catholicity (Catholicity in an Evolving Universe)

by Massimo Faggioli

Name also argues that the Church must become more open to the insights of other religions and cultures. He believes that the Church can learn from

the wisdom of other traditions and that this will help it to better understand its own faith.

Moving Toward Global Catholicity is a challenging and thought-provoking book that offers a new vision for the future of the Catholic Church. Name's insights are sure to spark debate and discussion among Catholics and non-Catholics alike.

Reviews

"*Moving Toward Global Catholicity* is a must-read for anyone interested in the future of the Catholic Church. Name offers a fresh and challenging perspective on the Church's mission in the world."

—Cardinal Walter Kasper

"Name's book is a timely and important contribution to the ongoing conversation about the future of the Catholic Church. He offers a compelling vision for a more global and open Church that is engaged with the world's problems."

—Father Thomas Reese, S.J.

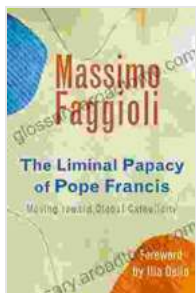

About the Author

Author Name is a Catholic priest and theologian. He is the author of several books on theology and spirituality, including *The Future of Catholicism* and *Theology in a Global Context*.
