The Global Survey is written by a team of leading experts in the field, and it draws on the latest research to provide a cutting-edge analysis of the most important issues facing humanity today. The book is divided into six parts, each of which covers a different aspect of human geography:

- **Part 1: The Physical Environment**
- **Part 2: The Human Environment**

- **Part 3: The Economic Environment**
- **Part 4: The Social Environment**
- **Part 5: The Political Environment**
- **Part 6: The Global Environment**

Each part of the Global Survey is packed with information and insights, and it is essential reading for anyone who wants to understand the world we live in. The book is also beautifully illustrated with full-color maps, charts, and graphs, which help to bring the text to life.
