## What is an Internship?

An internship is a supervised, work-based learning experience that provides students with the opportunity to apply their academic knowledge and skills in a real-world setting. Internships can be paid or unpaid, and they can last for a few weeks or a few months.

## Why Do an Internship?

There are many benefits to ng an internship, including:

- Gaining real-world experience

- Developing new skills
- Networking with professionals in your field
- Getting a foot in the door for a future job

## **How to Find an Internship**

There are many ways to find an internship, including:

- Talking to your academic advisor
- Searching online job boards
- Attending career fairs
- Networking with professionals in your field

## **How to Prepare for the Interview**

Once you have found an internship, you will need to prepare for the interview. This includes:

- Researching the company and the position
- Practicing your answers to common interview questions
