By Mary Oliver

In this collection of essays and poems, Mary Oliver explores the themes of nature, spirituality, and the human condition. With her characteristically lyrical prose and insightful observations, Oliver invites readers to reflect on the beauty and wonder of the natural world, the importance of living in the present moment, and the challenges and joys of being human.

Oliver's writing is full of wisdom and compassion, and her insights into the human condition are both profound and moving. She writes about the importance of finding our place in the world, of connecting with nature, and of living a life that is true to ourselves. Her words are a source of inspiration and comfort, and they offer a fresh perspective on the human experience.

Thinking Being Acting Seeing is a book that will stay with you long after you finish reading it. Oliver's insights are timeless, and her writing is both beautiful and thought-provoking. This is a book that you will want to read again and again, and it is sure to become a favorite.
