

Tort Law in America: An Intellectual History

Tort law is a branch of civil law that imposes liability on individuals or entities for harm caused to others. It is a complex and ever-evolving field of law that has been shaped by a variety of factors, including the common law, legal doctrines, social forces, economic forces, and political forces.

This book provides a comprehensive intellectual history of tort law in America, tracing its origins in the common law to its modern manifestations. The book explores the major legal doctrines and theories that have shaped tort law, as well as the social, economic, and political forces that have influenced its development.

The book is divided into three parts. The first part provides an overview of the common law origins of tort law. The second part examines the major legal doctrines and theories that have shaped tort law, including negligence, intentional torts, and strict liability. The third part explores the

social, economic, and political forces that have influenced the development of tort law.

This book is a valuable resource for anyone interested in the history of tort law in America. It is also a valuable resource for anyone who wants to understand the current state of tort law and its future prospects.

Reviews

"This book is a major contribution to the intellectual history of American law. It is a comprehensive and well-written account of the development of tort law in America, and it is sure to become a standard reference work on the subject." - **John C. P. Goldberg, Vanderbilt University Law School**

"This book is a must-read for anyone interested in the history of tort law in America. It is a comprehensive and well-researched account of the development of tort law, and it provides a valuable perspective on the current state of the law." - **Mark A. Geistfeld, New York University School of Law**
