Through Xu's enchanting prose, you will encounter characters who possess an innate affinity with the avian kingdom. From the young woman who communicates with a mischievous myna bird to the elderly man who shares an unbreakable bond with his feathered companion, these tales explore the profound ways in which humans and birds can connect.

At the heart of the collection lies the novella "Bird Talk," a poignant and intimate exploration of the relationship between a father and his autistic son. Through the father's attempt to bridge the communication gap with his son by learning bird language, Xu delves into the complexities of human connection, language, and the search for meaning in life.

A World of Poetic Imagery and Lyrical Prose

Xu's writing is a symphony of poetic imagery and lyrical prose. Each story is a canvas upon which she paints vivid and evocative scenes, transporting readers to the lush landscapes of China. The vibrant hues of birds, the soft flutter of their wings, and the intricate songs they sing come to life in her words.

Her characters are equally captivating, their emotions and inner workings rendered with profound empathy and insight. Through their struggles, triumphs, and everyday encounters, Xu exposes the universal human condition, delving into themes of love, loss, identity, and the search for connection.

A Cultural Tapestry of China

While "Bird Talk and Other Stories" is a testament to Xu's rich imagination, it is also a love letter to the culture and traditions of China. Xu weaves elements of Chinese folklore, philosophy, and mythology into her narratives, creating a tapestry that is both familiar and exotic.

Through her characters and their experiences, she explores the complexities of Chinese society, its traditions and modern transformations. The result is a collection that not only captivates but also provides a glimpse into a fascinating and vibrant culture.
