When your child is diagnosed with a chronic medical illness, your world is turned upside down. You may feel overwhelmed, scared, and alone. But you are not alone. There are millions of parents who have been where you are, and there is help available.

When Your Child Has Chronic Medical Illness is the ultimate resource for parents of children with chronic illnesses. This essential guide provides expert advice, practical tips, and emotional support to help you navigate the challenges of caring for a sick child.

### What you will learn in this book:

- How to understand your child's illness and its treatment
- How to manage your child's symptoms and improve their quality of life

- How to advocate for your child's needs
- How to take care of yourself and your family

When Your Child Has Chronic Medical Illness is written by a team of experts, including doctors, nurses, social workers, and parents. This book is packed with information and resources that you can trust.

If you are the parent of a child with a chronic medical illness, this book is a must-read. It will help you to understand your child's illness, manage their symptoms, and advocate for their needs. Most importantly, it will provide you with the emotional support you need to get through this difficult time.
